Experience

Hunter Public Relations

New York City, New York

Designer, 2018—Present

Junior Designer, 2016—2018

Day to day I am creating digital content and animations for social channels, designing a variety of materials for events and festivals, bringing ideas to life for new business pitches, branding and logo design for client refreshes and campaigns, learning the art of transforming cardboard into costumes, developing website layouts, creating custom mailers and everything in between.

Tribeca Film Festival

New York City, New York, 2016

Graphic Designer

Creating a variety of printed and digital material for ads and Tribeca's website, working on publications, and making festival and sponsorship assets.

St. John's University Suicide Prevention Initiative

Queens, New York, 2015

Graphic Designer

Conducting research and creating an identity and branding for a campus social campaign.

Education

St. John's University

Queens, New York, 2012—2016

BFA in Graphic Design

Rome, Italy, 2015

Received grant to study Art and Architecture
